Re: **Jasmine Norman v. NYU Langone Health System**  
**Docket No.: 19-CV-00067 (AT)**

Your Honor:

This office represents Plaintiff in the above referenced matter. Plaintiff writes to respectfully request the Court grant a one-week extension of time, from January 17 until January 24, 2020, for Plaintiff to file her opposition to Defendants' motion for summary judgment. Defense counsel consents to this request. This is Plaintiff's second request to extend the summary judgment briefing schedule. Contemporaneously, it is respectfully requested that Defendants time to file their reply, if any, be extended until February 14, 2020.

By way of background, Plaintiff alleges claims of, *inter alia*, disability discrimination by way of failure to make reasonable accommodations under Federal, State, and City law. The parties have completed all discovery and on December 13, 2019, Defendants filed their motion for summary judgment. The additional time is needed as the undersigned was out of the office all week last week suffering from the stomach flu.

As such the new proposed briefing schedule would be as follows:

- Plaintiff's opposition filed on or before January 24, 2020; and
- Defendants' reply, if any, filed on or before February 14, 2020.

Plaintiff thanks the Court for its time and consideration of the herein requests.

Respectfully,  
PHILLIPS & ASSOCIATES
